ENRICHMENT CAMP PARENT EXPECTATIONS

- Parents are expected to get their child to class on time to ensure they are able to benefit from the entire camp session.
- If they will be more than ten minutes late, parents are expected to call or text the director.
- Parents are to give 24-hour notice to the tutoring service if their child will not be able to attend a scheduled class.
- Parents are to respond to any form of correspondence regarding their child or the camp program within two days if a response is required.
- Parents are to ensure their child is bringing all appropriate equipment for online learning including laptop, Chromebooks, chargers for all devices, and any other equipment as necessary.
- Parents are responsible for providing school's virtual schedule and any changes or updates to that schedule. This includes the phone number and email of the Teacher and technical support.
- Parents are to ensure that books, materials, electronics, furniture, or other resources are maintained in good condition. If they are not, the parent understands that they could be charged for replacements.
- Parents are to notify our office if any contact information changes such as phone numbers, e-mail, or emergency contact.
- Parents are responsible for providing transportation to and from the camp program.
- Parents understand they must provide Yoga mats for their children to participate in that activity.
- Parents are to ensure that the child has medication with them if it is required to participate in activities. Please put in a bag and place your child's name on the bag.
- Parents are to understand that Back to the Basics Tutoring LLC, its director, tutors, volunteers, affiliates or investors will not administer any medication and the child should be able to be self-sufficient in taking medications.
- Parents understand that these expectations are subject to change without written notice.
- Parents understand that your child will be screened daily for COVID-19 symptoms and will be sent home if there are any signs related to COVID-19.
